

Application Engineer

Lake City, Pennsylvania

AirBorn Inc, a 100% employee owned manufacturing company is looking for an Applications Engineer to work in our Lake City, PA facility. This position will support our value added/cable assembly customers by developing cost and pricing estimates, designing and manufacturing process requirements, and value engineering.

The candidate will be capable of developing “Bill of Materials” and “Bill of Operations” from customer drawings and specifications in coordination with Engineering. Guides design and fabrication of prototype, models, or samples. Evaluates material suitability versus performance requirements. Analyze cost factors required to meet customer specifications and recommends pricing for product. Reviews customer requirements and recommends value engineering options. Specifies new design and process requirements including material, labor or overhead. Develops appropriate AirBorn part numbers as required. Provides technical and design support at customer facility when required. Conducts product marketing presentations for customers. Conducts product application training and provides technical assistance for Sales and Marketing personnel.

The successful candidate must have a Bachelors degree or equivalent; two to five years related experience and/or training; or equivalent combination of education and experience.

For immediate consideration, please send resume and salary requirements to careers@airborn.com No relocation provided.

We are an Equal Opportunity Employer.

ITAR COMPLIANCE This position requires access to or use of information which is subject to the federal International Traffic in Arms Regulations (ITAR). All applicants for this position must be U.S. Persons within the meaning of ITAR. ITAR defines “U.S. Person” as U.S. citizen, lawful permanent resident of the U.S., person admitted as a refugee to the U.S., person granted asylum in the U.S., or person granted the status of alien lawfully admitted for temporary residence to the U.S. under 8 U.S.C. §1160(a) (for special agricultural workers) or 8 U.S.C. §1255(a)(1) (an amnesty program).
