1. TAXES:

Prices do not include taxes, now or thereafter enacted, applicable to the goods sold or this transaction; any such taxes will be added by SELLER to the sales price where SELLER is required by law to collect the same, and will be paid by BUYER unless BUYER provides SELLER with a proper tax-exemption certificate.

2. PRICES AND RELEASES:

Prices apply only if the quantity ordered hereunder is released within twelve (12) months and shipments scheduled no more than eighteen (18) months from the date SELLER received BUYER'S order; otherwise, SELLER's standard price in effect on such receipt date for the quantity actually shipped apply, and BUYER shall pay the difference in price, if any. Minimum order is \$250.00. In the event of extraordinary increases in the market price of fuels, metals, raw materials, equipment, and other production costs, SELLER shall have the right and BUYER shall have the obligation to renegotiate in good faith the price of the goods hereunder not yet shipped, and if, in good faith, agreement is not reached, each party shall have the right to cancel this contract without liability. Prices shown herein are subject to a surcharge to be assessed on the date of shipment to reflect increases (if any) in the market price of Gold and Silver or other identified materials between a reference market price and the market price on date of shipment.

3. TITLE AND DELIVERY:

Domestic shipments of goods within the U.S. shall be delivered F.O.B. SELLER'S plant, and title and liability for loss or damage thereto shall pass to BUYER upon SELLER's tender of delivery of the goods to a carrier for shipment to BUYER, and any loss or damage thereafter shall not relieve BUYER from any obligation hereunder. Seller may deliver the goods in installments. Shipping dates are approximate only.

5. TERMS AND METHOD OF PAYMENT:

Where SELLER has extended credit to BUYER, terms of payment shall be net thirty (30) days from date of invoice. The amount of credit of terms of payment may be changed or credit withdrawn by SELLER at any time. If the goods are delivered in installments, BUYER shall pay for each installment in accordance with the terms of payment hereof. Payment shall be made for the goods without regard to whether BUYER has made or may make any inspection of the goods. If shipments are delayed by BUYER, payments are due from the date when SELLER is prepared to make shipments. Goods held for BUYER are at BUYER's sole risk and expense. In the event of a bonafide dispute of SELLER's invoice amount, BUYER shall deduct the disputed portion and remit the balance with a detailed written explanation of such dispute. Delinquent invoices are subject to a monthly service charge of 1.5% (or highest % allowed by law), which shall be added to the invoice amount.
